## Introduction

In this instruction manual, you'll find all the information you need to use Adopte1Candidat. From creating your account to publishing your job offers and finding candidates or companies, you'll find out everything you need to know about how our application works.

### Background

Are you a person looking for a job, but for whom conventional solutions don't work? Or are you a company struggling to recruit the right people? Then Adopte1Candidat is for you!

Adopte1Candidat is a mobile application that matches candidates and companies according to their skills and needs. Thanks to our matching algorithm, we propose candidates or companies that match your search criteria.

Our application is easy to use and intuitive. Simply create an account, enter your details and search criteria, and you're ready to go.

## Create your profile

## Matching system

Once your profile has been created, you can access the matching system. This will then suggest candidates or companies that match your search criteria.

When you arrive on the matching page, you'll see a sheet presenting a candidate or a company. You can then :

- Consult the information in the file by reading the different sections;

The image shows a smartphone screen displaying a matching system interface. The top status bar indicates the time is 16:35 and shows signal strength, Wi-Fi, and battery level. The main content area has a black header with the text "Adopte 1 Candidat". Below the header is a large orange rounded rectangle containing information about a "Nurse Practitioner" role. The text describes the responsibilities of a NP, mentioning primary and specialty healthcare, diagnosis, treatment, prescribing, performing procedures, and educating patients. It also notes work autonomy or alongside physicians in a dynamic environment. Under "Required Skills:", there are five categories: Adaptability, Time Management, Problem Solving, Humor, and Respect. Under "Appreciate Skills:", there are three categories: Empathy, Mathematical basics, and Networking. At the bottom left, there is a location icon followed by the text "18110, Vierzon, FRANCE". Below this is a horizontal line with two circular buttons: a red one with a white "X" and a green one with a white checkmark. At the very bottom, there are three icons: a person silhouette, a camera-like icon, and a speech bubble icon.

Join our team as a Nurse Practitioner (NP)! You'll provide primary and specialty healthcare, diagnose and treat medical conditions, prescribe medications, perform procedures, and educate patients. Work autonomously or alongside physicians in a dynamic and supportive environment.
